**[www.fundyshootingsports.org](http://www.fundyshootingsports.org)**

To all prospective members:

Our club was incorporated in 1988 and has a range facility at Mispic. The range consists of a combined 25 yard pistol / 50 yard rim fire line, a 100 yard center fire line, a 200 yard center fire line, a 5 stand shotgun field, as well as two dedicated pistol ranges. The range is open to all members most days of the year, **except the week of moose hunting**. Occasional private rentals may also limit shooting times. Shooting hours are from 9:00 AM until one half hour prior to legal hunting end time (as posted by the Department of Natural Resources) to a maximum of 9:00 PM (21:00 Hours). Shooting must be finished and firearms cased prior to these times. There is also a manually operated clay thrower that is available to all members at any time, however you must provide your own clays.

We meet every second Tuesday of each month at Saint Columba Presbyterian Church at 1454 Manawagonish Road at 7:00 PM (19:00 Hours). All members are encouraged to attend monthly meetings and participate in maintenance/clean up days. We always need volunteers for Scout and Youth shoots; one of our club mandates is the education of youth in shooting sports. There are events scheduled throughout the summer on Monday (IPSC Pistol) and Wednesday (Shotgun) evenings. IPSC pistol shooting requires participants to be Black Badge qualified; if you're not qualified feel free to watch and learn. We encourage everyone interested to attend, even if you don't own a particular firearm for the evening shoot; most members are willing to lend you one to try.

Please review all of the clubs documentation on our website, our Constitution, Range Safety Rules, General Rules, Regulations Appendix #1, Code of Practice for the Firing Line and there is an Application Form that you can complete as well. To apply for membership please bring the completed application form to our next scheduled meeting. **NOTE:** We cannot process an application without a valid Firearms License Number and expiry date clearly indicated on the form. **You must bring your Firearms License card with you for verification.**

Please do not hesitate to contact any of the undersigned if you have any questions.

Yours truly,

Bill Nason
