Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- Dave Greene said that the guest waiver forms are being well used with 23 completed so far this year. A thank you letter was sent to Steve McLean at Source Atlantic for their donation of hearing and eye protection. Member Roy Byers is currently auditing our financial statements for 2018 and will report back with his findings when complete. We are still awaiting a response from the NBWTF for our funding request for Scout Appreciation Day 2019. Our annual spring range clean up is scheduled for April 20th, a list of tasks will be posted on the club website. Please come out for a few hours and help keep our volunteer run shooting range usable.

New Business

- Dave Greene asked all available RSO's and club members to please step up and commit to assisting in our upcoming "Open Range" day April 27th. Bank statements for February and March have been received and balanced. We received an invoice from NB Power and still have a credit on our account. We received a thank you letter from the Tibbetts family for our memorial donation. A funding request for our Youth Shoot has been sent to the NBWTF. The RNBRA has posted a notice in their newsletter about our upcoming Open Range Day. Dave asked all members to show support for the CCFR and their opposition to bill C-71 by sending emails to editors of major newspapers & MP Wayne Long. Letters that Dave has sent were read out highlighting the half truths and outright lies used by the government and anti-firearms groups to mislead Canadians into thinking there is a gun crisis in this country instead of a gang and criminal problem. The letters will be posted on our website if you wish to use them as a template for your own letters.
- Bill Nason asked new members to remain after the meeting for range safety orientation.

Motion to adjourn by Trevor Little at 7:30 p.m.
