Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- Dave Greene said there were no seats available in any upcoming hunter safety or firearms courses. Dave advised interested parties to keep calling the DNR/CFO to let them know there is a demand for more courses. Members are reminded that there are links on the club website for course schedules and applications.
- Dave Greene said he had contacted various parties with access to materials for donation regarding our cantilever gate project.

New Business

- Bank statement for March has been received and balanced.
- Insurance policies for this year have been received and copies forwarded to the CFO and property owner.
- Wednesday night shotgun shoots will resume May 5th, weather permitting. Members are reminded the rest of the range is closed and out of bounds on shotgun nights.
- Dave Greene sent an email to scout leaders advising them we must hold our "Scout Appreciation Day" shoot before the end of May or we will have to return our grant money to the NBWTF.
- Our DNR transport agreement letter has been received for this year. Members are reminded to have their membership card with them any time they take firearms to the range or they are liable for serious legal problems if stopped by law enforcement.
- There will be an IPSC level 1 shoot May 1st and the RNBRA Provincial Pistol Championship on May 8th. Details are available on the "News" section of the website.
- Dave Greene suggested we should have a work detail on May 15th to clean up and prepare for the new season. A list of tasks was circulated to the membership and will be posted on the website. Dave asked for members to sign off on jobs they wanted to perform so the work can be delegated properly.
- Bill Nason advised members to check their PAL / RPAL and make sure if it's due this year to renew online as soon as possible as the consequences of it expiring are serious.
- Bill Nason asked new members to remain after the meeting for range safety orientation.
