Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- Mike Delaney said new business cards have been received noting his appointment as vice president. All 9 mm ammo is now sold, there are still 2 cases of 20 gauge left at \$120/case.

New Business

- Mike Delaney said the bank statement for July has been received and balanced, all bills are paid except for bush-hogging of the range. Dave Greene will not be reoffering as treasurer after 14 years of dedicated service to the club; we are seeking a replacement to fill the role. Dave will provide any needed training and guidance to his successor. Please advise Dave or Bill Nason if you wish to offer – this is a critical position in the club & we cannot function without it. The annual Youth Shoot was held August 11th with 20 participants, the Ruger 10/22 was won by Paul Barry's granddaughter Madison. Thanks to those members who volunteered to make this shoot a success, special thanks to Melissa Tibbetts for inflating all the balloons. The Dana Russell Memorial Shotgun Shoot will take place Saturday September 7th and registration is now open; contact Dave Greene. Cost is \$60 for 100 clays, door prize is a Stevens over/under 555 shotgun, there will be a raffle for a case of 12 gauge shells, & there are prizes for all shooters; there are only 8 spots left. Members were reminded of our weekly shoots – Monday nights are precision rimfire rifle, Steel Shoots on Tuesday nights, and shotgun Wednesday nights – check the website schedule. The July charity steel shoot held to benefit the Joshua Group was a great success with a cheque for \$2500 being presented to the organization by match director Jody Waring; many thanks to those who participated and special thanks to Jody for organizing this worthwhile event. With steel shoots becoming very popular we need more people to be trained as RSO's by taking a course presented by the RNBRA. Any member who attends and then serves as an RSO for at least 3 events with the club will have the course cost reimbursed.
- A club member, who is serving on a political candidate's election campaign, asked if the candidate could attend a meeting. The club executive said they would be welcome to do so.
- Bill Nason asked new members to remain after the meeting for range safety orientation.
