

FUNDY SHOOTING SPORTS INC.

Minutes of Meeting February 11, 2020

Meeting Called To Order at: 7:20 p.m.

Adoption of minutes of meeting of January 14, 2020

Moved by Dave Anderson, seconded by Dan Adams

Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- Blake Tibbetts said there are only 20 gauge shotgun shells left for sale to members. All members are urged to go online and sign the e petition 2341 to the Trudeau government regarding the banning of all semi automatic firearms which are described as “military-style assault rifles”, a term for an item that does not exist. Only 7% of NB licensed firearms owners have done this. Bass Pro Shops has confirmed they will be giving 3 prizes for our Scout Appreciation Day event. Time is running out to form a committee for Open Range Day 2020; if no volunteers come forward it will not happen.

New Business

- Dave Greene said the bank statement for January has been received and balanced. Dave listed off the upcoming firearms and hunter safety courses in the Saint John area; a link on the club website also has this information. A thank you letter was received from the River Valley Volunteer Instructor Association for our donation to youth training. Dan Adams brought in a substantial amount of lost and found items and had them on display at the meeting as we try to return them to their owners. We received thank you notes from the IWK and Diabetes Canada for our recent memorial donations. Dave is actively seeking insurance quotes from underwriters as we near the March expiration of our current agreement. Dave has income statements available for any member who wishes to review them. Blake Tibbetts asked that all members consider joining the CCFR as they are the only national firearms group that is effectively representing our hobby and fighting to keep it legal. Blake said he would place an order for powder and primers as long as we meet the minimum of 24 lbs. of powder; please contact Blake if you are interested.
- Blake Tibbetts asked new members to remain after the meeting for range safety orientation.

Motion to adjourn by Dan Adams at 7:40 p.m.

Next Meeting at 7:00 p.m. March 10, 2020
