Old Business

- Bill Nason said that Roy Byers is in the process of auditing our books for 2018. Club hats are now for sale at \$18 as manufacturing costs have risen. There are 14 kids registered for the youth shoot on July 13<sup>th</sup>, volunteers needed to help organize, give out prizes, etc. The Scout shoot will take place September 7 and we need at least 15 to 20 volunteers to help make it a success; a list of tasks has been posted on the club website. Jody Waring is attempting to have the steel plate target for the 25/50 yard line repaired after it was damaged by large caliber fire.

New Business

- Bill Nason said he had CCI rimfire ammo for sale at \$35 for 500, and 9 mm at \$30 for 100.
- Dave Greene said the bank statement for the month of June had been received and balanced. Condolences and a donation were sent in memory of Jim Harper's mother. We have received approval from the NBWTF for our grant submission to support our Scout Appreciation day. There will be a rimfire rifle Turkey Shoot on July 11 at 7:00 PM, targets are \$5 each, winning score on the front gets half the purse and a \$20 Sobeys gift card, best score from the random grid on the back gets the other half of the collected purse. Shotgun hulls for non slug loads are still being found at the 25/50 yard line – these are not approved. Only target loads (low brass) of 7 ½ shot or smaller are permitted for aerial targets (clays), or slugs on the 25/50 yard line.
- Club member Ally Hasson announced she had created a Facebook group for the club. Dave Greene said he would send out an email to the membership with a link.
