Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- Dave Greene gave a final recap of National Range Day held to benefit the CCFR. 99 participants registered with 92 showing up, a positive sign was 44 were female. Total sales were \$3770.25, after expenses we were left with \$2566.60 & the executive approved a payment to the CCFR of \$2500. We are hopeful to present the cheque personally to Tracy Wilson when she travels through on her way to the IPSC nationals in Halifax at the end of the month.
- A box has been placed in the main seacan for Safety & Accident Report forms. Ensure they are used if the need arises; hopefully it never will.
- The New Brunswick Wildlife Trust Fund has approved our grant request for Scout Appreciation day, with minister Mike Holland giving consent just prior to the meeting.

New Business

- Dave Greene said the bank statement for June has been received and balanced. We received a thank you letter from the New Brunswick Wildlife Trust Fund for our donation of binoculars for their 25<sup>th</sup> anniversary. Paul Barry received the powder order from Higginson's, please arrange pick up if you haven't already done so. The lawn mower has been replaced & a refrigerator purchased for the main seacan; it is equipped with a lock & members of the executive have keys.
- A representative of the CFO met Paul Holder, John Kelly, & Dave Greene for an inspection of the range July 6. Overall the range did well, deficiencies noted were posting of range rules at the shotgun field & install two cone of fire stakes. The 100/200 yard backstop slope needs to be repaired to meet 35 degrees. We are awaiting a written report with a full list of repairs required.
- An IPSC level 1 shoot was held on July 10<sup>th</sup> with 17 shooters participating.
- Bill Nason said he had placed an order for Titegroup powder as the opportunity arose and powder is very scarce. Please contact Bill if interested. Also he managed to source 5 lbs. of Varget as it is highly requested; the price is shocking at \$120 per lb. with no mark-up from the club; on-line ads sell it for \$200. Dave Greene will send out an email to the membership with prices and quantities.
- A member asked if the firearms that had been offered for sale by Bill Nason on behalf of an ailing long-time member had been all sold. Bill replied they had & the transfers were pending; Bill thanked Prime Minister Trudeau for his efforts in promoting handgun sales.
- A member asked if there were any place to get training on reloading; Bill Nason offered to assist.
- Bill Nason asked new members to remain after the meeting for range safety orientation.
