

FUNDY SHOOTING SPORTS INC.

Minutes of Meeting May 14th, 2024

Meeting Called To Order at: 7:20 p.m.

Adoption of minutes of meeting April 9th, 2024

Moved by Ian Ross, seconded by Sean Rocca

Treasurer's Report:

The Treasurer reported to those in attendance.

Old Business

- John Kelly asked all members to please consider volunteering to assist in our annual Scout Appreciation Day (May 25th); member Tim Nicol is organizing the event and will be sending out an email detailing tasks and asking for your help. The New Brunswick Wildlife Trust Fund has sent our first installment of funding for the scout event. We are still awaiting a response from the Royal New Brunswick Rifle Association regarding our request for Youth Shoot funding.

New Business

- John Kelly said the bank statement for April has been received & balanced. National Range Day in support of the Canadian Coalition for Firearms Rights (CCFR) is quickly approaching on June 1st; we need at least 35 members at the range on the day of the event. We have 93 people registered to come shooting that day; please contact John to volunteer. We received an acknowledgement & receipt from the Joshua Group for our donation in memory of Della Stephen. Turn-out for our work detail May 4th was poor, with only 20 members shouldering the burden; many thanks to those 20 individuals as the club cannot function without members stepping up – the rest of the membership owes you greatly for keeping our range open. While some major tasks were completed there remains many items that need to be addressed; an email will follow.
- Bill Nason said he had small pistol primers available at \$135/1000; Dave Greene has one or two cases of 12 gauge for sale at \$120/case.
- Bill Nason asked new members to remain after the meeting for range safety orientation.

Motion to adjourn at 7:30 p.m. by Trevor Little
